CONDITIONS OF EXTENDED GUARANTEE for Panasonic Photovoltaic module HIT®

CONDITIONS OF GUARANTEE APPLICABLE IN:

European Economic Area (EEA) countries, Switzerland, Belarus, Moldova, Russia, Ukraine, Albania, Andorra, Bosnia and Herzegovina, Macedonia, Montenegro, San Marino, Serbia, Vatican City, Monaco, Israel, Uzbekistan, Kingdom of Morocco, Republic of Tunisia.

1. This Extended Guarantee covers all Panasonic Photovoltaic module HIT® purchased on and after January 1st, 2017 in the above countries and which are installed in these countries. This Extended Guarantee is an addition to, and does not in any way affect, any statutory or other rights of the purchaser.

2. The Panasonic standard product guarantee period for Photovoltaic module is 15 years from date of purchase of the Product by its Ultimate customer. The Extended Guarantee shall be applicable for Photovoltaic module HIT® 25 years from date of purchase of the Product by its Ultimate customer ("Extended Guarantee period"). The Guarantee is applicable to the original purchaser only. When module(s) remain at their original installed location this guarantee is transferable to any subsequent owner of the location, or subsequent title-holder of the Module(s) upon satisfactory proof of succession or assignment. It is a condition of this Extended Guarantee that the original sales receipt of the Product and the original Guarantee extension certificate, are presented showing the date of purchase. In order to be valid, the Extended Guarantee must be activated by sending the filled application form to Panasonic (info.solar@eu.panasonic.com) within 90 days of purchase.

3. The Extended Guarantee covers all conditions which are described in the document of "Limited Guarantee on Panasonic's Photovoltaic Modules HIT®". This document can be downloaded from the web, <https://eu-solar.panasonic.net/en/panasonic-hit-download.htm> .

4. In this Extended Guarantee, "Panasonic" means the company identified below.

Privacy Notice

Panasonic Electric Works Europe AG ("Panasonic") processes personal data in compliance with the data protection regulations. Personal data is collected in forms or via cookies when you visit our websites.

Collection of personal data

Personal data will be collected and stored only to the extent necessary to answer a single query unless stipulated otherwise. Your personal data is never collected without your permission. Whether you wish to disclose your personal data, for example when you register for a customer survey or a competition, is entirely up to you. Your data will be treated confidentially and will not be disclosed to third parties for their own usage.

Use of your personal data

We will use your personal data to provide our services to you and to make personal customer service available. Your data will be used in particular for the purpose of initiating and implementing the contract, to answer your requests, to allow for and administrate personal access, to support your transactions and to process your orders.

If you would like to subscribe to our newsletter you must give us your e-mail address to which we can send the newsletter. When you indicate your e-mail address, you consent to us using it to send you the newsletter to inform you about products. Your data will only be used for more extensive purposes, for example for advertising, if you have previously consented explicitly.

You can revoke your consent for the future at any time after you have given it through our data protection officer.

Right of access to and correction of data and public procedures directory

Upon request we will inform you in writing in accordance with applicable law whether we have saved any personal data about you and if so what data.

You also have the right at any time to verify, correct, block or delete data related to your person.

Deletion

We will delete saved data if the legal or contractual retention time has elapsed or if there is no longer a need to save it.

Application

You can also make your request to Panasonic electronically. Of course we will use your data exclusively to process your application and will not forward it to third parties. Please note that e-mails which are sent unencrypted will not be transmitted with access protection.

Data protection

Panasonic protects your data by technical and organizational measures against unauthorized access, loss or destruction. We continually improve our security measures in line with the latest development in technology.

If you need any further information or have any requests or complaints in connection with the use of your personal data or if you have questions or comments about data protection at Panasonic, please contact:
